

# MULTI-AXIS MACHINING EVENT

6 - 7 November 2024

## A CELEBRATION OF MACHINING EXCELLENCE

We are hosting our next open house event on Wednesday 6th and Thursday 7th November 2024 at our European Technology Centre in Elland, West Yorkshire. The open house, which has the title of 'Multi-Axis Machining Event', promises to be an unmissable showcase of our latest products and innovations. Join us for the two-day event to see our latest CNC machine offering, including the all-new Tornado Sub-Spindle with Y-axis machining and Bridgeport 5-axis VMCs.

Our full product range, including our renowned conventional lathes, manual & CNC turret mills & Lightning laser marker will also be on display, with many live demos running throughout the event. Our trusted partners Siemens, LNS, Zerocob & Cutwel will also be present throughout the event.

### NEW CNC MACHINES ON SHOW

**TORNADO CNC  
SUB-SPINDLE**

The new Tornado SL25 MSY machine, with its integrated sub-spindle and Y-axis, offers unparalleled productivity and versatility. Its advanced 5-axis single-hit machining allows manufacturers to complete complex components with extraordinary efficiency.
